DEPARTMENTS

HEALTH WATCH

March: Pilots' Reactions to Serious Illness
May: Medical Odds and Ends
July: What to Do if You "Bust" an EKG

MONEY MATTERS

January: So You Enjoy Paying Taxes?
February: Individual Retirement Accounts
March: Managing Personal Retirement

NEW BOOKS

January: *The Joy of Flying: Overcoming the Fear* by Capt. W. J. Gunn (Rounds); *Passenger Airliners of the United States, 1926-1986—A Pictorial History* by Myron J. Smith (Rounds).
February: *Deregulation and the Future of Intercity Passenger Travel* by John R. Meyer and Clinton V. Oster, Jr. (Rounds); *Parliamentary Law Rules and Procedures for Conducting Conventions* by Lena La Nelle Hardcastle (Rounds).
June: Voyager by Jeana Yeager and Dick Rutan (Rounds).
October: *Human Factors in Flight* by Frank H. Hawkins (Wilson).

PRESIDENT'S FORUM

January: Pride in Retrospect
February: Challenges and Opportunity
March: The Klaxon Sounds
April: Eradicating the B Scale
May: The Regional Metamorphosis
June: Changing the Status Quo
July: The First Agreement
August: Solidarity
September: Streamlining for Fiscal Efficiency
October: B Scale Revisited
November: At a Crossroads
December: Teams in Transition

R&I FACTS

April: Protecting Pilots' Pensions
